Commissioner of Patents

1. The communication filed on July 30, 2001 in Paper No. 19 is not fully responsive because the application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences set forth in 37 CFR 1.821(a)(1) and (a)(2). However this application fails to comply with the requirements of 37 CFR 1.821 through 1.825. Specifically, this application does not contain, as a separate part of the disclosure on paper copy, a "Sequence Listing" as required by 37 CFR 1.821(c). This application does not contain a copy of the "Sequence Listing" in computer readable form as required by 37 CFR 1.82(e). Finally, this application contains claims, figures (4A, 4B, 8A-10) and disclosures in the specification at pages 37-39, 56-57, and 63 that are drawn sequences that are not identified by a sequence identifier (SEQ ID NO:).

Applicant is required to provide a sequence identifier to all nucleotide sequences 10 or more nucleotide bases in length and peptide sequences 4 or more amino acids in length (see MPEP 2421.02). Applicant must also provide an initial or substitute computer readable form (CRF) copy of the "Sequence Listing", an initial or substitute paper copy of the "Sequence Listing" as well as

an amendment directing its entry into the specification and a statement that the contents of the paper and computer readable copies are the same and, where applicable, include no new matter as required by 37 C.F.R. 1.821(e) or 1.821(f) or 1.821(g) or 1.825 (b) or 1.825(d).

Applicant is given ONE MONTH, or THIRTY DAYS, whichever is longer, from the mailing date of this letter within which to comply with the sequence rules, 37 CFR 1.821 - 1.825. Failure to comply with these requirements will result in ABANDONMENT of the application under 37 CFR 1.821(g). Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a). In no case may an applicant extend the period for reply beyond the SIX MONTH statutory period. Direct the reply to the undersigned. Applicant is requested to return a copy of the attached Notice to Comply with the reply.
